Dear Sir/Madam,

Tararani Vidyapeeth's Kamala College has organised a One Day Interdisciplinary National Seminar on "Financial education, Literacy and Behaviour: An Interdisciplinary Perspective" on Friday, 09 October, 2026. We are pleased to invite you to register, participate and contribute highly erudite discourse on the theme.

About The City:

Kolhapur, glorified as *Dakshin Kashi*, is a city of heritage, spirituality, and progress. Adorned by the sacred presence of Goddess Mahalaxmi and Jyotiba Temple, it holds the legacy of Maharani Tararani and Rajarshi Chhatrapati Shahu Maharaj. Famous for Panhala Fort, Rankala Lake, and the Panchaganga River, Kolhapur also excels in education through Shivaji University and industry with its renowned foundry sector and Five Star MIDC. Known for Kolhapuri Chappals, jaggery, jewellery, and cuisine, the city blends tradition with modern growth, standing as a proud symbol of culture and development.

About The College

Tararani Vidyapeeth, founded in 1945 by Late Dr. V.T. Patil, is inspired by the legacy of Maharani Tararani, the Maratha warrior queen, and is dedicated to the noble cause of women's education from K.G. to P.G. Among its distinguished branches, Kamala College, established in 1984, embodies the vision of "Empowerment of Women." Since its inception, the college has been striving hard to cater to the needs of women's education and to give them a separate identity by promoting and enhancing their personal potential so that they would be strong enough to face global challenges. The College offers UG courses in B.A.(Arts) and B.com. (Commerce), PG programs in Home Science, Yoga Science, and English, along with professional and career-oriented programs such as B. C. A., B. Voc. Food Processing & Management, and Yoga Therapy. The college is awarded with the 'Best YCMOU Centre Award'. The college is honoured with College with Potential for Excellence (CPE) by UGC, New Delhi in 2016 and Reaccredited (Third cycle) by NAAC with Grade 'A'(3.12 CGPA) status in 2017. The college has been conferred Autonomous College status by the UGC, New Delhi, effective from the academic year 2022–23 up to 2031–32.

Brief Outline of the Seminar:

The theme "Financial Education, Literacy and

Behaviour: An Interdisciplinary Perspective" presents a comprehensive analysis of how individuals and institutions acquire, understand, and apply financial knowledge in real-world decision-making, a challenge that requires collective effort, strategic planning, and ongoing commitment across all parts of society. The seminar aims to create an intellectual forum where the relationship between financial education, literacy, and behaviour can be critically examined, understood in context, and collaboratively promoted through rigorous academic debate. Since this topic is genuinely multidisciplinary, we invite scholars, academicians, researchers, and industrialists to share their valuable ideas and engage in meaningful discussion.

Sub-Themes:

- Corporate Financial Literacy: Bridging the Gap Between Financial Reporting and Managerial Decision-Making
- Financial Literacy and Investment Behaviour of Retail Investors in Emerging Markets
- Role of Digital Banking and Fintech in Enhancing Financial Inclusion
- Impact of Financial Education Programs on SME Financial Management Practices
- Behavioural Biases in Household Savings and Investment Decisions: A Commerce Perspective
- Household Financial Management and Food Security: A Home Science Perspective
- Financial Education for Food and Nutrition Entrepreneurs.
